

Easy-to use and intuitive graphical user interface with drop-down menus and quick launch buttons - designed to meet all the developer needs

Integrated NuSOAP Wizard adds Soap services to your site in practically no time. Easy to configure - easy to use

Code Explorer shows all the constants, variables, classes and functions used in your project as Project Tree, Project View or Class view mode

Dynamic layout change between editing and debugging modes automatically removes editor-only tabs while the debugger is run. This makes both editing and debugging more effective than ever.
